## Prediction of the next President of the United States

Marc Stevens<sup>1</sup>, Arjen Lenstra<sup>2</sup>, and Benne de Weger<sup>3</sup>

<sup>1</sup> CWI, Kruislaan 413, 1098 SJ Amsterdam, The Netherlands

<sup>2</sup> EPFL IC LACAL, Station 14, and Bell Laboratories  
CH-1015 Lausanne, Switzerland

<sup>3</sup> TU Eindhoven, Faculty of Mathematics and Computer Science  
P.O. Box 513, 5600 MB Eindhoven, The Netherlands

We predict that the winner of the 2008 election for  
President of the United States  
will be:

**John McCain**

Our prediction should not be interpreted as support for anyone, including the  
person mentioned above, that is or may be running for the office of  
President of the United States.
