

Valedictory symposium: Model Engineering

De Zwarte Doos, Eindhoven University of Technology,
Friday, November 11, 2011

Preceding the valedictory lecture of prof.dr. Kees van Hee
a symposium will be held on the theme 'Model Engineering'.

Program

- 10.00-10.15** **Arrival of the guests with coffee/tea in De Zwarte Doos**
- 10.15-10.30** **Opening and introduction by the symposium chairman**
Prof.dr.ir. W.M.P. van der Aalst, Department of Mathematics
and Computer Science, Eindhoven University of Technology,
the Netherlands
- 10.30-11.00** **Is the world a Petri Net?**
Dr.ir. W.J. Hofman, TNO Informatie- en Communicatie-
technologie, Delft, the Netherlands
- 11.00-11.30** **It's all about making the right decisions**
Prof.dr.ir. W.P.M. Nuijten, Department of Mathematics and
Computer Science, Eindhoven University of Technology,
the Netherlands
- 11.30-12.00** **Training the information systems professional of the future**
Dr.ir. H.A. Reijers, Department of Industrial Engineering &
Innovation Sciences, Eindhoven University of Technology,
the Netherlands

Please turn over

- 12.00-13.00** **Lunch**
- 13.00-13.30** **From programs as models to models as programs**
Prof.Dr. Wolfgang Reisig, Institut für Informatik,
Humboldt-Universität zu Berlin, Germany
- 13.30-14.00** **Moving Objects with Application to Agent Migration and System Exploration**
Prof.Dr. Rüdiger Valk, Theoretische Grundlagen der Informatik, Universität Hamburg, Germany
- 14.00-14.30** **A transition from RDF to Petri Nets**
Prof.dr. J. Paredaens, Department of Mathematics and Computer Science, University of Antwerp, Belgium
- 14.30-15.00** **From Information Systems to Web Science**
Prof.dr. P.M.E. De Bra, Department of Mathematics and Computer Science, Eindhoven University of Technology, the Netherlands
- 15.00-15.05** **Conclusion and closure**
- 15.05-16.00** **Break**
- 16.00-17.00** **Valedictory Lecture in the Blauwe Zaal**
- 17.00** **Reception in the Senaatszaal**

Registration

Attendance is free but you are kindly invited to register for the symposium before October 10, 2011. Please contact the secretariat of the Information Systems Group (IS), Department of Mathematics and Computer Science, e-mail: wsinfsys@tue.nl.
