

## Draft GUI

/Department of Mathematics and Computer Science

## Program of today

- Status URD
- Draft GUI (general)
- SRD (general)
- Draft GUI per group

/department of mathematics and computer science

## Status URD

- Which group
  - updated the URD?
  - had it reviewed by the user/customer/...?
- Suggestion:
  - update the URD;
  - place it on studyweb;
  - explicitly inform teachers about availability; and
  - request for a new review (to get acceptance ☺).

/department of mathematics and computer science

## About the GUI

- What is needed for the GUI?
  - URD (general), uses cases (specific; see UP-2);
  - 12 usability principles (UPs; see Chapter 7);
